

FAMOCO

FX 300

RUGGEDIZED DEVICE FOR ENTERPRISE DEPLOYMENTS

- » Integrated barcode scanner
- » Long battery life
- » Toughened device (IP67)
- » Secure Android OS with built-in MDM platform

ANDROID BASED

Secure Android for business use

MANAGED OVER THE AIR

Built-in OTA device management platform

TRANSACTIONAL DEVICE

Designed to process high volumes of transactions

NO STREET VALUE

Less likely to be stolen

DEDICATED & MOBILE

Business device with applications in kiosk mode

SECURE BY DESIGN

Embedded SE/SAM for the highest security

FAMOCO provides a fully **mobile, business-centric & secure Android solution** to empower enterprise mobility

PAYMENT & LOYALTY

TRANSPORTATION

ACCESS CONTROL

WORKFORCE MANAGEMENT

E-GOVERNMENT

MOBILE POINT OF SALES

INCREASED EFFICIENCY & PIECE OF MIND FOR FIELD WORKERS

- » Empower users with a versatile barcode scanner for multi-task roles
- » Ensure uninterrupted operations with a reliable & lightweight solution
- » Manage teams in the field from a single remote interface
- » Protect your business-critical information from malicious acts

HIGH PERFORMANCE SOLUTION DESIGNED FOR CONTINUOUS USE IN THE FIELD

SPECIFICATIONS

OS : Secure Android™ 4.4 (KitKat)

CPU : Quad Core 1.3 GHz

Storage : 4GB

SIM : 1 micro SIM slot (3FF)

Battery : Removable 2800 mAh battery

Power : USB / DC charge

Interface supported : USB 2.0 OTG

DATA CAPTURE

Barcode scanning : 1D/2D imager Motorola SE4500

NFC read / write : HF RFID 13.56 MHz :

ISO14443A, ISO15693

Rear camera : 5MP autofocus, LED flash, digital zoom

WIRELESS COMMUNICATION

GSM : 2G / 3G (GPRS, EDGE, HSDPA, HSPA+)

WiFi : 802.11b/g/n

Bluetooth : Bluetooth® Class II, V4.0, BLE

Positioning : A-GPS

PHYSICAL CHARACTERISTICS

Display : TFT 800x480 pixels True colours - 4"

Touch panel : Capacitive 1 point + gesture

Interactive Sensor Technology : Light sensor, proximity sensor, accelerometer

Audio : Speaker, microphone

Size (LxWxH) & Weight : 160x74x23 mm / 258g

Robustness : IP67

SECURE ELEMENTS

Embedded SE : Internal Secure Element

Removable SE : SAM SWP slot (2FF)

DEVICE MANAGEMENT

Fully embedded MDM agent, managed via FAMOCO Management Suite (SaaS platform)

ACCESSORIES

2 mm mini-tip cable, holster
